City Planning Blacktopping

The City of Grayling advertised this week for bids on a blacktopping program on the three downtown blocks of Michigan Avenue. The blacktopping resurfacing will run from curb to curb, City Manager Max Davenport said.

The covering will be placed over the concrete middle section of the street and will strengthen and resurface the parking section of the street. The concrete part of Michigan Avenue should prove a perfect base for the blacktop and according to Michigan State Highway engineers should give Grayling a fine main street for many years to come.

The concrete has been in for many years and during the past few years began to pit and disintegrate rather badly. The blacktopping will halt this break down and will resmooth the street with a one covering for the entire distance from curb to curb. It will also prove a good background for painted signs of chrome yellow marking parking space and no parking spaces.

The work is expected to start about June 1 and will be completed by July 1. City Manager Davenport said that one side of each block would be done at a time, thus allowing traffic to continue movement. The surface when laid and rolled is immediately opened to traffic. It will not close up the street at any time, he said.

Ball Season Opens Sunday

The Grayling Independent Baseball team will get the season under way here this Sunday when Houghton Lake invades the local diamond. The game is scheduled to begin at 2:30 P. M.

Last Sunday the official league schedule was to get started but the Grayling game scheduled with Mio. there was cancelled due to rain as were the other two league games, Roscommon at Comins and Houghton Lake at Fairview. These games will be made up on July 3 which has been left as an open date for the league.

Grayling is also scheduled to entertain the Gaylord independent nine of the Northern Michigan League here Monday afternoon, May 30, Memorial Day.

COMMENCEMENT PLANS ANNOUNCED

Commencement plans for the first class to be graduated from Frederic High School since 1943 have been announced by Supt. Kuhlman. Although the school has the largest enrollment in its history this year's graduating class is small. It consists of two girls, Arla Barber and Mary Ellen Madill. Next year's class will be much larger.

Baccalaureate services will be held in the Frederic Bible Church on Sunday evening, May 29th, at 8 o'clock. Rev. Ray Van Duiven-dyk will deliver the message.

Commencement will be held on the evening of June 3rd at 8:30 o'clock, in the Frederic School Gym. Mr. Allan Schureur of Gaylord will be the speaker. The president of Frederic School Board, Mr. Arthur Howse, will present the diplomas. Arla Barber will deliver the valedictory address and Mary Ellen Madill will deliver the salutatory address.

Lovells Notes

Mrs. Albert Pochelon, Sr., and her daughter, Mrs. Weckler and family of Detroit spent the week end at their summer home on the North Branch.

The Allen family of Pontiac enjoyed a few days at their cabin. A number of friends of Mr. and Mrs. John Kurchenko and Mr. and Mrs. Eddie Carlson met Saturday night at the Ladies Club Room, honoring the newlyweds "Joan and Eddie Carlson, with a miscellaneous shower. They received some very nice gifts and all enjoyed the lovely lunch together.

Jim Douglas was home from Elkhart, Ind., to attend the "prom" in Grayling, returning on Sunday.

Mr. and Mrs. Guy Delamater of Portland, Oregon, furnished some lovely music the last two Sundays at the evening services in Lovells Chapel. The latter is a daughter of Rev. and Mrs. Hazzard.

The Lovells Ladies Club will meet at their Club Room, June 1st. There will be three birthdays honored, Bertha Gilbert, Lucille Munrow and Rose Moore.

The Club will be starting their dances for the season at Lovells Town Hall, Saturday. Every one is invited to attend these parties.

Mr. and Mrs. A. Loeffler are enjoying a few days at their cabin. There will be a paper demonstration party at Ladies Club Room a week from Thursday, June 2nd. Mrs. P. Collins is the demonstrator. She has a large number of very useful household articles as well as helps to demonstrate. This party is being put on to help build up our church fund. Hope for a good number to turn out. A nice lunch will be served to all in attendance. Time 8 P. M.

Rev. Howison of Alpena together with Rev. Hazzard visited a good many homes last Friday and Sunday evening. Rev. Howison brought the message at our Community Chapel.

Mrs. Bessie Kellogg is visiting relatives in Saginaw this week. Martha, Maryada and Mickey Stillwagon spent the week end with their grandparents in Lovells. Remember the dance at Town Hall, Saturday night.

Ray Snider Renamed Chairman Third Annual Canoe Marathon

Prize List Same: Race Sept. 17 and 18

Ray Snider, Grayling canoe livery operator was unanimously re-elected as chairman of the Third Annual Michigan Canoe Championship Committee at a meeting held at Walker's Hotel in Mio Monday evening.

Robert Strong of Grayling was elected secretary and Hamilton McNichols of Oscoda was re-elected treasurer. Ernest Borchers of Grayling was named as starting chairman and Stuart N. Loush of Oscoda was named as finish chairman. John H. Peterson also represents Grayling on the executive board as well as others named officers.

Last year's prize list of \$1,400 was set up as the prize list again this year. The race winners receive \$600 with second getting \$300, third \$200, fourth \$100, fifth and sixth \$50 each and seventh, eighth, ninth and tenth \$25 each. Every team to finish from the winners until five hours later will be presented with medals marking their position, etc.

The date for this year's race was set as September 17 and 18 which is one week later than last year. It was thought that it would not interfere with trout fishing in any way. Last year's marathon was started on the final day of trout season. The budget was tentatively set up the same as last year with the exception of the group going on record as wanting to print a full and inclusive program of the race which could be given to spectators and would be of sufficient interest that the keep them as mementos of the race. The money will be raised again in the same manner with Grayling and Oscoda each contributing \$600 and Mio and East Tawas each giving \$200.

Wear A Poppy

Pin a Poppy on your coat, show the world there is remembrance in your heart.

Buddy Poppies made by our disabled veterans go on sale Thursday, May 26 through to Saturday, May 28. The veterans are the only ones paid for their part in making Buddy Poppies. All other labor is donated. All proceeds from poppy sales are used for rehabilitation for the veteran and his dependents. The need is great and the workers few. Let your dollars speak for you.

The Ladies of the V. F. W. and Legion Auxiliaries are volunteering their time free to sell Poppies with a smile. Let your contributions match their efforts.

V. F. W. Poppy Chairman.

"Rest in Peace, ye Flanders dead" a memorial poppy over every remembering heart.

Twenty-five million memorial poppies worn over loyal American hearts on Poppy Day in remembrance and gratitude. What a beautiful memorial tribute to American dead and disabled heroes of the World Wars. The crepe paper poppy is a nations memorial to its dead and living heroes as they bloom over remembering hearts on Poppy Day, for here in America we have built up the tradition that where patriotic Americans live in greatest numbers, there, our veterans made memorial poppies are seen blooming in great abundance. If the poppy could talk it would say to us, "In remembrance of America's heroic dead and in helpfulness to her living disabled and dependents, wear me, on Poppy Day."

Margaret M. Balch, Publicity Chairman.

GLADWIN MARRIAGE OF INTEREST HERE

Miss Ruth Griffin and Kenneth Hoelsi exchanged marriage vows in a ceremony solemnized Saturday at 2 o'clock at the home of her parents, Mr. and Mrs. Ernest Griffin, by Rev. S. R. Wurtz.

Mr. Hoelsi is the son of Mr. and Mrs. Chris Hoelsi of Grayling.

Members of the immediate families attended the service read in a setting of white and pink flowers and palms. The wedding march was played by Marjorie Dull and Willis Griffin, brother of the bride, sang "Because," "O Perfect Love" and "The Lord's Prayer" during the ceremony.

Given in marriage by her father, the bride was attired in a grey gabardine suit with navy blue and pink accessories. Her shoulder corsage was of pink roses and white snap dragons, and she carried a white Bible.

Her only attendant was her sister-in-law, Faith Griffin, who also wore a grey gabardine suit with blue accessories. Her shoulder corsage was of pink roses and yellow daffodils.

Newell Ogg acted as best man for the groom, and Horace Griffin, brother of the bride was usher.

A reception was held following the ceremony for the bridal party and guests. The brides table was decorated in pink and white and was centered with a three-tiered wedding cake.

Guests from out-of-town who attended the ceremony were Mr. and Mrs. John Mallinger and daughters, Sandy and Patsy, of Higgins Lake; Mr. and Mrs. Oscar Schmelker of Flint, Amos Hoelsi and Mr. and Mrs. Chris Hoelsi of Grayling and Mr. and Mrs. Willis Griffin of Battle Creek.

movie "Canoe Marathon" was shown and enjoyed by all. The picture was taken of the 1948 race and through the Kiwanis Club of Grayling will be shown publicly here on June 13. Time and place have not as yet been set but will be announced soon. Everyone interested is invited to come see this fine movie when shown.

A 45-mile canoe race down the picturesque Thunder Bay River is scheduled to highlight the Thunder Bay Carnival, a gala 4th of July celebration sponsored by the Alpena and Hillman Chambers of Commerce. Frank Catto, Alpena Chamber of Commerce secretary told the group Monday night.

Starting from Hillman at 10 A. M. on July 4th, the field of two man canoe teams is expected to make the run, including three portages around power dams on the river and arrived in Alpena in from 3 to 6 hours. Slow backwaters, a series of rapids and many tributary streams along the main river will combine to make a challenging course for the paddlers. A trophy for the winners and cash prizes for the first three teams is planned and interest in the event is expected to run high, since the race is being staged as preliminary competition to the annual Michigan Canoe Marathon held on the AuSable River in September.

Co-Chairmen, Orville Murch of Alpena and Edward Bushey, of Hillman, have announced that the race is open to men 16 years of age and over and the deadline for entries has been set for 8 P. M., June 30th.

All requests for race information should be addressed to Frank Catto, Alpena Chamber of Commerce. Catto explained that there is a \$5.00 entry fee to reach two man team entering the race.

Weekly News-Letter

From the Desk of Representative Emil A. Peltz.

With the end of the session only hours away it is with some feeling of regret that I write this, the last weekly report of this session of the Legislature. Today is the adjournment day and we must finish all of our work. There are still a number of bills to be considered and conference committee reports to be approved. Just how long into the night or early hours of the morning the session will last, no one knows at this time.

Much will be said during the next few months as to the success or failure of this session of the Legislature in dealing with the issues that have been before us. Some will agree with what we did, and others will disagree. While this has been a successful session for me, none of us here can say that we have at all times had our way about things. Sincere as we may be in our efforts, we find at times that we are in the minority and have to yield. That is democracy, and one soon learns here to take defeat with a smile.

To summarize even briefly the many bills that have been passed, would require pages and is therefore impossible. Hundreds of bills that were introduced were not passed. All were considered and screened. It is just as important to kill some bills as it is to pass others, so the success of the Legislature should not be measured in the number of new laws enacted.

There are two things that stand out in my mind as worthy of mention here. The first is that the Legislature has for the first time in a number of years made a real effort to put an end to increased spending. For this we will be criticized by many. This criticism will come mostly from some people on state payrolls who feel that their particular department or agency should have had a larger appropriation.

In many instances it has been extremely difficult for us to refuse requests for more money, but we feel that the people have taken the position that increased spending would some day have to stop. We have decided to try it now. If the people as a whole disapprove our action then it will be necessary to have new taxes in the near future. We are closing this session without imposing any new taxes. We want to try economy first.

The second achievement worthy of mention is that this Legislature has taken steps to increase the state revenue by millions of dollars by plugging the leaks in our sales tax collection laws. A recent investigation by the Legislature disclosed that something like 60 million dollars had not reached the treasury in a three year period. This was the total of audits made of only a small percentage of the retail establishments in the state.

It is safe to assume from this investigation that if all the sales tax collections would find their way into the state treasury there would be no need for additional taxes at this time.

As a final note to this last news letter I want to again express my sincere appreciation to the editor for making it possible for me to bring this weekly message to you.

Memorial Day

Plan Parade
Other Holiday
Events Here

A Memorial Day parade will get under way at 10 A. M. Monday morning, May 30 from in front of the Grayling Legion Hall and will proceed to the City Park on the AuSable River, where Memorial Services will be held for departed Navy-men. The parade will then proceed up Cedar Street to the Elmwood Cemetery where services for Army men will be held. The parade marshal will be A. J. Nelson, while services will be under the direction of Legion chaplain William Huddleston.

The Grayling High School Band plus all Grayling veterans organizations, American Red Cross and

Grayling Girl Scout organizations are expected to form the Memorial Day parade.

A softball game will be played starting at 2:30 P. M. between the Legion team and either the Knights of Columbus or Frederic team at the City Park Field. Other entertainment will be provided during the afternoon also.

Merchants are urged to place their flags out prior to parade time and all veterans, whether members of veterans organizations or not, are urged to take part in the parade and memorial ceremonies.

BURIAL SERVICE HELD FOR INFANT

Burial services were held for Nancy Lee Christenson at the Sorenson Funeral Home Friday, May 20, at 11 A. M. Rev. Bertha Davis officiated.

The little girl was born at Mercy Hospital on Thursday, May 19, to Mr. and Mrs. Irving Christenson (Violet Brown).

Interment was in Elmwood Cemetery.

Legg Services Held Tuesday

Funeral services were held at the Sorenson Funeral Home at 2 o'clock Tuesday afternoon for Douglas Legg, 17, who lost his life in an automobile wreck south of Grayling early Sunday morning.

Rev. R. C. Puffer officiated at the services and the body was taken to Kingston, where funeral services were to be held Wednesday.

Surviving the youth besides the bereaved parents, Mr. and Mrs. Louis Legg, are two brothers, Donald and Richard, both at home.

The deceased youth was a member of the 11th grade at Frederic Agricultural High School and was well known in Grayling. He was born February 24 1932 in Oakland County and moved here with his parents about three years ago. His father operates a sawmill 9 miles south of Grayling. He died instantly when his car went out of control, left the road and crashed into a tree about one mile south of the detour on US-27 south of Grayling.

Coroner Stanley A. Stealy, of Grayling, who investigated with state police troopers, said young Legg suffered head injuries and multiple fractures that caused death when he was hurled out of the rolling car.

Dr. Stealy said Legg was alone in the vehicle when it rolled over on US-27, eight miles south of here near the Black Bear Inn. He was returning to his home from Grayling.

6 Vikings To Go To State Meet

Six members of the Grayling High School track team qualified for positions on the State High School Track meet, to be held in East Lansing this Saturday, at the Regional Track Meet at Cadillac last Saturday.

Miller Jack Trudeau, Hurdleman Carl Dean Hanson and the medley relay team of Dick Owens, Ernie Parsons, Jack Richardson and John Krage will make the trip. Grayling finished six in the Regional meet in which 17 Class C teams competed. Hart won the meet with Charlevoix second, Reed City third, Glen Arbor fourth, Harbor Springs fifth and Grayling sixth. Only 12 of the teams scored points. The Grayling team brought home ten medals from the Regional.

Jack Trudeau took second in the mile as he ran it in 4 minutes, 55 and 8/10 seconds. He will represent this region as number one man as Radie of Harbor Springs who won the race passes the age limit this week. Carl Hanson placed third in the 200 yard hurdles beating two boys who had each defeated him twice this season.

The Grayling medley relay team set a new Regional record as they defeated last year's champions Glen Arbor in lower time than the last year's winners set in establishing a Regional mark. Grayling's time was 2 minutes 4 and one-tenth second. John Krage romped home just two steps ahead of the Glen Arbor anchor man. Krage and Owens each ran 440 yards with Parsons and Richardson running 220 yards for a three-quarter mile relay.

The six qualifiers leave Grayling Friday night to compete in the meet on Saturday and will return here late Saturday evening.

WOMAN'S CLUB NOTICE

Woman's Club tickets and money must be turned in by June 1st to either Mrs. Wesley LaGrow or Mrs. Les Hunter. Please.

Camp Project Contracts Let

New water supply and sewage disposal systems and construction of buildings in the regional area of Camp Grayling is assured for the summer training program of the Michigan National Guard from August 6 to 20 as contracts for the new construction has been let.

The announcement of the awarding of the contracts together with the news that the U. S. National Guard Bureau had allocated \$113,625 more for camp expansion was given out Monday in Lansing.

Forrester Construction Co. of Flint, was awarded a contract for \$349,176 to build 12 mess halls and 11 combination shower-bath latrines of cinder blocks.

Ray D. Baker Co., of Detroit, with a low bid of \$299,800, will build the new water and sewage systems.

Brig. General George C. Moran said the latest federal grant brings contributions from that source to \$905,000 for the current fiscal year, of which approximately \$800,000 is being spent on the Camp Grayling expansion program. The remainder went for new motor vehicle storage building at Flint and Grand Rapids.

Rites Held For Mrs. A. Wakeley

Final rites were read by Rev. R. C. Puffer at Michelson Memorial Church on Saturday, May 21 at 2 P. M., for Mrs. Arthur E. Wakeley. "Shall We Gather at the River" and "Rock of Ages" were sung by Mrs. Amy Gothro and Don Gothro, accompanied by Mrs. C. G. Clippert at the organ. Interment was in Elmwood Cemetery. Rudolph Feldhauser, Hugo Schrieber, John Knecht, Dan Babbitt and Theodore and Norval Stephan were pallbearers.

Mrs. Wakeley passed away at Mercy Hospital on Thursday, May 19, after a six months illness. She was born in Blissfield, Michigan on November 18, 1869 to Sarah and Luke Beausom.

Her parents brought their family to this county in 1882 and made their home for a while near Higgins Lake, where Mr. Beausom had a lumber camp. Later they moved on a farm in what is now Beaver Creek Township. She became the bride of Arthur E. Wakeley in Grayling on January 9, 1888. After their marriage the Wakeleys built a log cabin on the north side of the AuSable River near Wakeley Bridge. There they made their home for several years. To them were born four children, Bessie who passed away in childhood, two sons, Thomas and Arthur Jr., and another daughter, Alice who is Mrs. Earl Madsen. They later moved to Grayling and then in 1908 moved down river 1/2 mile east of the Feldhauser house.

Mrs. Wakeley will be sorely missed as she was a good mother, good neighbor and was loved by all. She with Mr. Wakeley was a pioneer of this county. They were among the earliest settlers of Crawford County and always did their part toward the growth and development of the community. They have witnessed the change from the days of the settlers cabins, ox teams and lumbering to the present.

Surviving besides her husband and three children, are two sisters, Mrs. P. L. MacKay and Mrs. Lambert Laporte both of West Branch.

Relatives here from a distance were Mr. and Mrs. Laporte, Mr. and Mrs. Ollie Meera Mr. and Mrs. Francis Di chold, Mrs. MacKay, Vernon Wilcox, Jean McCarthy, Wiseman and Mrs. Carl Hansen of West Branch; Fred Belmore of Detroit; Mrs. Mary A. Smith of Mrs. W. G. Howard of Flint, and Mrs. Rudy Bert of Roscommon.

Overhauling of the Michigan tax structure whereby state and local governments get money to pay for services performed is proposed by Michigan Public Expenditure Survey. This group is financed by large taxpayers. Its general interest is economy in government.

The legislature wound up its 1949 session last week end.

The tug-of-war between Governor Mennen Williams, advocate of a corporation tax to raise \$50 million and the Republican-dominated legislature ended draw. Williams didn't get his on corporation profits and the legislature avoided the distasteful of imposing a new levy on a suggested boost in the gasoline tax was shelved.

How much the deficit will be, after the legislature efforts to economize have been carefully appraised was yet to be estimated time of adjournment. The sales tax is already producing less each month as a decline in sales brings a decline in tax revenue. And the fact still remains that 67 per cent of all the money the state collects - even when it is less than heretofore - has returned to local governments under constitutional mandates and legislative earmarking.

And so we find ourselves on May 20 right at the point where we came in - last January. The deficit is on the way, nothing still must be done. What is it going to be?

The Michigan Public Expenditure Survey, in a current bulletin, sets up the problem as follows:

In his tax message, the Governor said: "Our patch-work tax structure is badly in need of a general revision. He did not, however, recommend such a revision present - on the ground that it is too short if we are to avoid a financial crisis. 'Why?' Is the question we must ask. Is it even too early to start overhauling a program which admittedly is old, and sadly in need of basic revision?"

This question of solving the complex problem of state and local finances is not new. Far from it! Within the past five years, many different plans have been suggested to give local units, as well as the state, a 'fair deal' in the matter of revenues. Among 1949 proposals are the following:

"Set up a system under which certain percentage of the taxpayer's income is designated for taxes - all taxes. That percentage would be split up among the various

Eldorado News The Westlake families of Utica who have come to this vicinity hunting for several years, have purchased some lots on M-144 and were here over the week end and began work on their hunting camp. Clare Webster and Miss Gertrude Hartman, both of Detroit, and Miss Mae Hartman of Honolulu called on the Funch families Sunday. Arthur Gleason of Lapeer and Edward Wehnes of Muskegon spent the week end at the Wehnes home. Mr. and Mrs. E. P. Sherman and Mr. and Mrs. Robert A. Funch and children were Fairview visitors Sunday. Mr. and Mrs. Clarence Lancour returned home Sunday after spending a week in the Upper Peninsula at the home of her parents, Mr. and Mrs. Starnes. Mrs. Kirk White, Sr., of Owosso visited Saturday at Wild Acres Kennels, owned by Mr. and Mrs. E. P. Sherman, and purchased one of their beautiful Norwegian Elkhound puppies.

C. A. P. NEWS The meeting was devoted entirely to a stimulated search mission with one flight trying to locate the other by means of wireless transmission check points, after this a short meeting was held where Com. Selesky told the members the rules for the wearing of the uniform and all insignia. Sunday, May 15, the unit Squadron meeting was held at Grayling with the following Squadrons taking part: Grayling, Com. Selesky 1st Lt. Wm. Johnson, Cadet Lt. Jerry Barber and Cadet Lt. Veryl Gulick of Roscommon; Traverse City, Capt. Anderson, Capt. Alts, Alpena, Lt. Lemke, Wing Hq., Lt. Edwards, Maj. Duxbury. A very interesting meeting was held on the Cadet training program and the obtaining of equipment for the use on maneuvers. Request for transmission has been asked for the obtaining of a navigation trainer now with the Traverse City Squadron. Form 15's have been obtained from Wing Headquarters, these are to be used in the grading of Cadets, these forms will enable the staff to tell which Cadets are in line for advancement. A building at the air port has been obtained and will be used as the C. A. P. headquarters for the Grayling Squadron. Lt. Bob Lozon, Jr., Public Relations Officer.

Shall Government Give Telephones?

As every school child knows, this country has the best and the most extensive telephone service in the world—and by so wide a margin as to make comparison ridiculous. All of it has been developed and provided by private enterprise, at rates which are publicly regulated and reflect the cost of carrying on the service plus a reasonable profit. Under these conditions, does it seem either wise or necessary to pour out government money, which belongs to all the people, for subsidized telephone service for special areas?

That is what a bill now in Congress would do. It would authorize the Rural Electrification Administration to make a 35-year loan at 2 per cent interest to extend rural phone service to farms not receiving it.

What makes this particularly remarkable is that, according to an authority on the telephone business, "Service is now available, without construction charges to the subscriber, to 85 per cent of the occupied farms of the United States. It is a problem, at the most, in not more than 15 per cent of the total rural area of the country." In short, most of the farmers who lack service now simply don't want it, don't need it, or think it not worth the trouble and cost.

It was proposed that the bill be amended so as to avoid the use of Federal funds to duplicate services in areas where telephone companies are already on the job. This reasonable stipulation was turned down by the measure's sponsor. Thus, should it pass in its present form, costly and wasteful duplication of existing facilities would be inevitable.

This is typical of the insane desire to have the government do everything for everybody, regardless of cost or necessity. And, equally important, it is another phase of the campaign to eventually socialize the enterprise of the nation.

Sign on a Hollywood street corner: "To avoid that run-down feeling, cross street carefully!" Tales of Hoffman.

When you gotta stop
—you wanta stop!

"It can stop on a dime," the salesman promised you, "—and leave nine cents change!"

And your Buick did—when it was new and brake linings unworn and everything factory-tight and fresh.

But brake linings wear—lights grow dim with time—tires can lose their bite and traction.

And with a whole summer's driving ahead, what better time than this to bring your Buick back to new-car peak in all those details that mean so much to safety?

Our men, trained in Buick ways, will give you brakes that stop you as Buicks should, with new brake linings that are right in size and brake drums turned to perfect round.

They can replace sealed-beam headlights to give you new-bulb brilliance—and while they're at it, check battery, voltage, wiring and headlamp-aim to boot.

They'll check tires, switch them as needed, look into wheel alignment for easy steering.

In a word, they'll renew your Buick with the same care and interest they would lavish on their own—and do it at no greater cost than for just ordinary service.

So drop in. Get set for some summer fun that's up to lively Buick standard.

Check your car—
Check accidents!

Three great service and safety organizations across the country are alerting car-owners everywhere this month on safety-checking their cars.

They list ten vital question marks for you to think about—How are your Brakes? Lights? Tires? Steering? Wheel alignment? Defective glass? Rear-view mirror? Muffler? Windshield wipers? Horn?

Be sure your family rides in safety—ask your Buick service man to look over these check-points, this month—and join the great drive for driving safety!

most may be the greatest hazards to your health and life during the holiday unless you use some caution, the Michigan Department of Health warned.

Drive with care and avoid excesses in eating, drinking, sunning, swimming, fishing, golfing, and any other form of exercise, it advised.

Roads will be flooded with traffic. Have your car checked if you plan to do any driving — brakes, horns, lights, tires, windshield wipers, and steering mechanism. Obey traffic laws and signs and give the other fellow your right of way.

Do not plan to drive if you are going to do any drinking. Safety experts say that drinking is involved in more than half of traffic accidents.

Good restaurants which are open during the holiday will be filled to capacity. Be careful that any perishable foods such as salads and sandwich fillings, as well as picnic lunch are carefully and cleanly prepared, and are kept cold. You can get food poisoning from your picnic basket as well as in an unclean restaurant. Drink water only from a municipal or other approved supply and use only pasteurized milk and milk products.

Take your sunning in short intervals; you can burn under a cloudy sky on a cool day and you burn more quickly on a hot day. Water. Lake water will be cold; go in slowly. Stay out of swift water; do not swim alone or show off. Do not overload, or stand up in your small boat, or go on a lake when a storm threatens.

Avoid poison ivy. It is out early this spring. If you have been near it, scrub with laundry soap. If blisters appear, see your doctor.

Remember that a little golfing, softball, tennis, swimming or row-

Mayor Roberts Proclaims Opportunity Bond Drive

Whereas the survival of freedom and individual enterprise in the world, as opposed to totalitarian rule, depends heavily upon the strength and stability of the United States of America in the immediate future, and

Whereas our national economic strength depends chiefly upon the productivity and thrift of our people, and

Whereas the United States Savings Bond program, carried on by volunteers in every community in the land, teaches and encourages thrift and savings in all forms, thus building security for the thrifty citizen and family, storing up reserves of buying power in the community and furthering economic stability in the nation, and

Whereas savings are the golden key to unlock the door when Opportunity knocks, affording the thrifty citizen the chance to better his economic condition and that of his family, and

Whereas savings provide a safeguard against personal and family financial emergencies, build up funds for the purchase of homes, better equipment for living education, and insurance, and supplementary income to insure independence and comfortable old age, and

Whereas the continued success of the United States Savings Bonds program is vital to the proper management of our national debt for the good of the whole economy and of all Americans, and

Whereas the 1949 Opportunity Bond Drive, from May 16th through June 30th, will promote all those benefits and safeguards for our citizens and our American system of government and economy by increasing regular saving through the Payroll Savings Plan and the Bond-a-Month Plan for the automatic purchase of U. S. Savings Bonds, and stimulating Bond purchases in general, and

Whereas the coming visit to this State of the Treasury Covered Wagon, symbolizing the future opportunities that may be taken advantage of through Bond savings, will call attention to these benefits of thrift,

I, Therefore as Mayor of the City of Grayling, do hereby proclaim this Opportunity Bond Drive as a considerable strain on the middle-aged heart at the beginning of the season. Ride only a horse you can handle, and fly only with a competent pilot in a fully serviced aircraft.

Memorial Day is a time to remember the dead, not to join them.

ious governmental units.

"Substitute a straight 1.5 per cent income tax for the sales tax; cut out all diversion, and let local governments finance their own needs through excise taxes.

"Repeal the 3 per cent sales and use taxes, and substitute a 1 per cent use tax for state purposes only — leaving local units to levy their own taxes for their own expenses.

"Repeal the state sales tax; do away with state participation in local welfare costs, and state aid to schools except as provided in the state constitution. Allow counties to levy a maximum 3 per cent sales tax for local distribution."

Someone once said: "You can't have your cake and eat it, too."

Michigan taxpayers paid a total of \$2.8 billion in taxes for the 1947-48 fiscal year (ending July 1). Of this amount \$343.2 million was collected by the state; \$274.2 million by local governments, and the remainder by the federal government.

Less taxation can come only through a reduction in public services.

More public services can lead only to more taxes.

What are we going to do about it? The proposed study of the entire tax problem appears to have timely merit.

Legion Auxiliary News

Tuesday, May 10th, 14 members and officers met at Legion Hall for regular business meeting. Mrs. Helen Ball of England, gave an entertaining talk on rationing

in England.

Ruth Decker, daughter of Mr. and Mrs. Charles Decker was chosen to attend Girls State and will report there June 14. Due to the bowling banquet on Tuesday, May 24, the social meeting will be held Monday, May 23rd the ladies will entertain their husbands. The following will be on the committee: Leone Johnson, chairman, assisted by Margaret Tinker, Mabel Martin, Gloria Jean Nielsen.

Margaret Balch, Publicity Chairman.

INTERPRETING THE NEWS

Since 67 per cent of state-collected revenues are automatically returned to local governments for spending, the big question before the legislature this week — as solons raced for final adjournment — was this:

How much can we reduce the state deficit next year through economy cuts in appropriations for state institutions and state agencies?

Governor G. Mennen Williams warns that a \$60 million deficit is impending despite legislative efforts to trim state operating expenses.

"After cutting off crippled children, slashing the state college and university, reducing the staffs of our mental hospitals and making other cuts," he said, "the appropriation bills would still leave us about \$50 million short. After using up the expected \$10 million surplus we will have left June 30, 1949."

The governor's solution: Tax corporation profits 4 or 5 percent.

The Republican-dominated legislature has chosen, as its policy, a program of economy for state services, financed by 32 per cent of state-collected revenues and no new taxes or increase of existing taxes. The outcome will be a treasury deficit, of course. The only question is "How much?"

That the Republican legislature has given the governor a ready-made issue — its "failure" to tax corporation profits and thus avert a deficit — is already indicated by Governor Williams' strategy.

The Republicans' answer will

probably be in the affirmative: The legislature "saved" the public from increased taxes by requiring economy in state appropriations.

Judging from the spring election strategy, the G. O. P. position may also be this: "We saved the state from a C.I.O.-inspired raid on the state treasury."

Republican State Chairman Owen J. Cleary hammered away throughout the spring campaign that the C. I. O. had dominated the Democratic state convention. It was openly charged that the C. I. O. was telling Governor Williams what to do.

Michigan's bi-partisan government, so-called at least, was brought about by the switching of approximately one-half million votes from the Kim Sigler banner — all in two years' time.

Although Republican leaders feel that the election of a Democratic governor was a by-product of a protest vote against the Republican governor-nominee, Governor Williams has accepted the verdict as a mandate for social causes he advanced.

The legislative session of 1949 was predestined to be a stalemate and draw between these two conflicting viewpoints. And since Governor Williams is ready to campaign for re-election in 1950 on the Republican-made issues, the final answer obviously must come from the voters in November, 1950.

One wise-cracking newspaper reporter recently observed at the capitol: "What Williams needs in 1950 is another Kim Sigler."

Williams believes he has everything he needs to win. He is confident, to say the least.

Bills adopted by the legislature include the following:

Fishermen can catch panfish of any size. The conservation director may designate which waters may be fished for rainbows in the fall.

Campers on state land must get free permits and must clean up the grounds before leaving.

Old age welfare (assistance) maximum benefits are increased from \$50 to \$60 monthly.

Salaries of circuit court judges increased \$2,000 year.

Agricultural inspection fees transferred to general fund.

Adjustment in fees and salaries for probate judges, jurors, township officers and many others.

Workmen's compensation payments raised.

"Loopholes" in state sales tax act are plugged for better revenue collection.

Broaden the qualifications for the director of the department of mental health.

Redefines rural school districts to include third class districts.

Provide sabbatical leave for teachers.

V. F. W. Auxiliary News
The 11th District Rally was held at Bay City, Sunday, May 22. Delegates from Post Chief Shop-Panagon were: Marie Bolton and Patricia Lozon.

The main event of the day was election and installation of district officers. Inice Eator of Harrison was re-elected district president by a unanimous vote. Marie Proctor, Michigan Chief of Staff was installing officer.

One of the highlights of the day was a ritual contest between Mt. Pleasant and Harrison, which Harrison won by a few points.

The winning team will go to the State Convention to be held at Grand Rapids, June 17, 18, 19. There they will compete for the state championship.

The rally at Bay City was opened with the Cross of Malta put on by the Mt. Pleasant team, who also put on the floor work, except for the closing ceremonies, that were put on by the Harrison team.

The next district rally will be held at Lake City in September. Marie Bolton, Publicity Chairman.

GRAYLING CHRISTIAN YOUTH
